Motion No. 003

COURT NOTICE

Filing on Behalf of - Rose Ann Magaldi, Law Clerk

The Court has reviewed the submissions the parties have made with respect to various discovery issues and is inclined to grant all the affirmative relief each party is requesting, absent agreement on the proposed compromises reflected in the correspondence that has been filed with the Court. The Court will, of course, hear oral argument on May 8 on any issues that the parties are unable to consensually resolve with the benefit of the Courts tentative views concerning the discovery issues.

Additionally, the Court will adjourn OSC's sequence 003 and 004 to May 22 to be heard along with sequence 002. We await receipt of an agreed upon briefing schedule.
