ORDER

Upon consideration of the motion for summary vacatur, the response thereto, and the reply, it is

ORDERED that the motion for summary vacatur be denied. The parties are directed to address in their briefs the issues presented in the motion for summary vacatur rather than incorporate those arguments by reference. The parties are further directed to address in their briefs whether this case is moot because the administrative stay being challenged by petitioners ended on August 29, 2017.

Because the court has determined that summary disposition is not in order, the Clerk is instructed to calendar this case for presentation to a merits panel.
