PEOPLE OF THE STATE OF CALIFORNIA,  
Plaintiff,  
vs.  
CHEVRON CORP., et al.,  
Defendants.

Case No. 3:18-cv-00732-VC

1 The Opposition filed by Defendant Marathon Petroleum Corporation (“Marathon Opp.”)<sup>1</sup>  
 2 recycles arguments that have already been briefed exhaustively by all parties in these and the  
 3 related San Mateo Cases. Plaintiffs rest on the briefing already submitted, as summarized below.

4 Marathon’s Opposition argues that generalized federal obligations and standards  
 5 purportedly related to navigable waters create *Grable* jurisdiction, but this Court has rejected  
 6 identical arguments. *Compare* Marathon Opp. at 2–3 (asserting that Plaintiffs “seek to supplant  
 7 the federal regulatory scheme for the protection and preservation of navigable waters”), *with* Order  
 8 Granting Motions to Remand at 4, *County of San Mateo v. Chevron Corp., et al.*, Case No. 3:17-  
 9 cv-04929-VC, ECF No. 223 (Mar. 16, 2018) (“Nor does the mere existence of a federal regulatory  
 10 regime mean that these cases fall under *Grable*.”). Marathon newly asserts that an essential element  
 11 of Plaintiffs’ nuisance claims is that Defendants’ conduct was “unlawful under the federal regime  
 12 for the protection of navigable waters.” Marathon Opp. at 3:24–26. But Marathon’s selective  
 13 quotation of California Civil Code § 3479 incorrectly restricts the universe of conduct that  
 14 constitutes a nuisance under California law. In its entirety, § 3479 provides:

15 Anything which is injurious to health, including, but not limited to, the illegal sale  
 16 of controlled substances, or is indecent or offensive to the senses, or an obstruction  
 17 to the free use of property, so as to interfere with the comfortable enjoyment of life  
 18 or property, or unlawfully obstructs the free passage or use, in the customary  
 manner, of any navigable lake, or river, bay, stream, canal, or basin, or any public  
 park, square, street, or highway, is a nuisance.

19 Thus, by the statute’s own terms, a nuisance can encompass “anything which is injurious to health,  
 20 including . . . an obstruction to the free use of property, so as to interfere with the comfortable  
 21 enjoyment of life or property.” *Id.* Unlawfulness, let alone a violation of federal law, is simply not  
 22 a necessary element of California nuisance claims. Even if it were, Plaintiffs’ right to relief is still  
 23 entirely defined by California law, and demonstrating the violation of a federal standard to satisfy  
 24 an element of a state law claim still does not mean the cause of action “arises under” federal law  
 25 within the meaning of *Grable*. *See* San Mateo Reply, ECF No. 203, at 16–17 (discussing *Oregon*

---

26  
 27 <sup>1</sup> *County of Santa Cruz v. Chevron Corp., et al.*, Case No. 3:18-cv-00450-VC, ECF No. 119 (Mar.  
 28 20, 2018); *City of Santa Cruz v. Chevron Corp., et al.*, Case No. 3:18-cv-00458-VC, ECF No. 117  
 (Mar. 20, 2018); *City of Richmond v. Chevron Corp., et al.*, Case No. 3:18-cv-00732-VC, ECF No.  
 105 (Mar. 20, 2018).

1 *ex rel. Kroger v. Johnson & Johnson*, 832 F. Supp. 2d 1250 (D. Or. 2011), and *In re Roundup*  
2 *Prod. Liab. Litig.*, No. 16-MD-02741-VC, 2017 WL 3129098 (N.D. Cal. July 5, 2017)).

3 Further, Marathon's reliance on California Civil Code § 3482 is misplaced for the reasons  
4 already discussed in prior briefing. *See* San Mateo Reply, ECF No. 203, 18:15–19:2 & n.9. There  
5 is no reason why compliance with federal statutes and regulations governing the navigable waters  
6 of the United States should lead to any different result.

7 Nor does *Board of Commissioners v. Tennessee Gas Pipeline Co.*, 850 F.3d 714 (5th Cir.  
8 2017), compel a different result here than in the related cases. *See* San Mateo Reply, ECF No. 203,  
9 at 15:21–16:6, 21:4–9; Santa Cruz Reply, ECF No. 109, at 13 n.10.

10 Finally, Marathon has not shown that these cases fall within the court's admiralty  
11 jurisdiction or that admiralty even provides a sufficient basis for removal. *See* Santa Cruz Reply,  
12 ECF No. 109, at 15–20.

13 There is no relevant difference between the San Mateo cases and these cases with respect  
14 to the Court's removal jurisdiction, and the same reasoning and authority the Court relied upon to  
15 support remand in those cases applies with equal force here. For the reasons set forth above and in  
16 Plaintiffs' previous briefs, this Court lacks subject-matter jurisdiction and should remand these  
17 actions to the California Superior Courts.

18  
19  
20 Respectfully submitted,
