On December 21, 2018, Petitioners filed a Joint Opening Brief, Doc. No. 1765338. A number of non-substantive grammatical errors and incomplete citations to the Addendum were made. All of them are listed on the following chart. A sentence is being deleted to offset additions, so that the word count does not change. In addition, to ensure that Respondent and Intervenors have a complete and accurate brief, Petitioners are offering to send a Corrected Joint Opening Brief to counsel for Respondent and any Intervenors at this time.

As discussed with the Clerk's office on December 21, 2018, Petitioners will include all of the corrections in the errata sheet in their final brief to be filed once the Joint Appendix has been submitted.
