ORDER

Upon consideration of the renewed motion to sever and hold in abeyance, the response thereto, and the reply, it is

ORDERED that the renewed motion to sever and hold in abeyance be denied. It appearing that these consolidated cases present potential problems of duplicative briefing, it is

FURTHER ORDERED, on the court's own motion, that the parties submit by September 30, 2020, proposed formats for the briefing of these cases. The parties are strongly urged to submit a joint proposal and are reminded that the court looks with extreme disfavor on repetitious submissions and will, where appropriate, require a joint brief of aligned parties with total words not to exceed the standard allotment for a single brief.
