25 ¹ On August 5, 2013, the District Court issued an Order denying certain defendants' motion for
26 summary judgment and granting Shell and the government's motions for summary judgment.
27 Although no separate judgment has been entered, Defendants file this Notice of Appeal out of an
28 abundance of caution because thirty days have elapsed from the date of that Order.

² Defendants believe that a separate notice of appeal is likely to be filed for case No. 1:12-cv-0010.
