Re: *Coalition for Competitive Electricity v. Zibelman*, No. 17-2654-cv

Dear Ms. O'Hagan Wolfe,

I represent Intervenors-Defendants-Appellees Constellation Energy Nuclear Group *et al.* in the above-captioned case. Pursuant to Federal Rule of Appellate Procedure 28(j), I write to inform the Court of the Seventh Circuit's recent decision in *Electric Power Supply Association v. Star*, Nos. 17-2433 & 17-2445 (7th Cir. Sept. 13, 2018), a copy of which is attached to this letter. The Seventh Circuit there rejected the same preemption and Dormant Commerce Clause challenges to Illinois' Zero Emission Credit program that Plaintiffs-Appellants raise in this case concerning New York's Zero Emission Credit program. This Court should affirm the district court's judgment dismissing Plaintiffs-Appellants' similar claims.

Respectfully submitted,

/s/ Matthew E. Price
