

**UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS**

CONSERVATION LAW
FOUNDATION, Inc.,

Plaintiff,

v.

EXXONMOBIL CORPORATION,
EXXONMOBIL OIL CORPORATION, and
EXXONMOBIL PIPELINE COMPANY,

Defendants.

No. 16-cv-11950 (MLW)

The Honorable Mark L. Wolf

JOINT STATUS REPORT

Pursuant to the Court's order entered March 14, 2019 (ECF No. 71), counsel for Defendants Exxon Mobil Corporation, ExxonMobil Oil Corporation, and ExxonMobil Pipeline Company (collectively "ExxonMobil" or "Defendants") and Plaintiff Conservation Law Foundation ("CLF" or "Plaintiff") have conferred in an effort to resolve or narrow the issues in the above captioned case. In support thereof, the parties state:

1. On March 25, 2019 and March 28, 2019, the parties exchanged letters concerning frameworks for potential resolution of this matter.
2. On April 2, 2019, the parties conferred via teleconference, but were unable to resolve any of the remaining claims.
3. The parties agree that an Order of Reference for ADR requiring mediation would not be productive at this time.

Dated: April 2, 2019

Respectfully submitted,

EXXON MOBIL CORPORATION,
EXXONMOBIL OIL CORPORATION, and
EXXONMOBIL PIPELINE COMPANY

And

CONSERVATION LAW FOUNDATION, INC.
