ORDER

Before the Court is Defendants' Supplemental Document (Doc. No. 138). The Local Civil Rules of the United States District Court for the Northern District of Texas specifically address supplemental materials. Local Rule 56.7 states: "Except for the motions, responses, replies, briefs, and appendixes required by these rules, a party may not, without the permission of the presiding judge, file supplemental pleadings, briefs, authorities, or evidence." L.R. 56.7. Defendants did not seek leave of this Court to file the Supplemental Document.

Accordingly, the Court **strikes** Defendants' Supplemental Document. Any party seeking to file supplemental materials in the future must formally seek leave of this Court.

SO ORDERED.

Signed October 19th, 2020.
