

STATE OF HAWAII CIRCUIT COURT OF THE FIRST CIRCUIT		MINUTE ORDER		Electronically Filed FIRST CIRCUIT 1CCV-20-0000380 10-MAR-2022 10:51 AM Dkt. 597 MORD
CASE NUMBER 1CCV-20-0000380 (JPC)		FILING PARTY & ADDRESS JUDGE JEFFREY P. CRABTREE 6TH DIVISION 777 PUNCHBOWL STREET HONOLULU, HAWAII 96813		
CASE NAME CITY AND COUNTY OF HONOLULU and HONOLULU BOARD OF WATER SUPPLY, Plaintiffs, vs. SUNOCO LP, et al., Defendants.				
<p>In response to the parties' joint letter of 3/8/22 (Dkt. 595), the undersigned made administrative inquiries. As a result, the court now understands that since a) the expected motion for interlocutory appeal is inextricably intertwined with the motions this Division decided, and b) it would likely serve judicial economy for this Division to hear the expected motion, and c) this case is still assigned to this Division, then this Division has discretion to accept the parties' request.</p> <p>It being a joint request by all parties, and it being within this court's discretion, and since it appears judicial economy will be served due to this Division's familiarity with the issues presented, the parties' request that this Division hear the motion for interlocutory appeal is hereby GRANTED.</p> <p>This assumes the final orders from the prior motions are resolved reasonably soon, that the motion for interlocutory appeal is filed reasonably soon, and a hearing held in the normal course. /END. /jpc.</p>
