

FERC has issued two errata notices correcting this order, on May 10, 2022 and June 13, 2022. These errata are attached as Exhibits B and C, and available at <https://elibrary.ferc.gov/eLibrary/filedownload?fileid=E37645EE-8AAE-C5C2-975E-80AF0F200000> and <https://elibrary.ferc.gov/eLibrary/filedownload?fileid=28A1B124-541A-C5E2-878E-815ED6B00000>, respectively. FERC has not published a corrected order integrating these errata.

Petitioners Sierra Club and Public Citizen were each granted intervention in this Commission proceeding.

Petitioners timely filed a request for rehearing of the Order Granting Request for Extension on June 6, 2022, which FERC failed to respond to within 30 days. As such, petitioners' request for rehearing was deemed denied by operation of law, as FERC acknowledged in its *Notice of Denial of Rehearing by Operation of Law and Providing for Further Consideration re Corpus Christi Liquefaction Stage III, LLC et al under CP18-512 et al.* (July 7, 2022), FERC Accession No. 20220707-23043, available at <https://elibrary.ferc.gov/eLibrary/filedownload?fileid=69315685-BC55-C99E-97F6-81D99C200000> and attached as Exhibit D.

Accordingly, this Court has jurisdiction to review the Order Granting Request for Extension of Time, pursuant to 15 U.S.C. § 717r(b).

This petition for review is timely filed, because FERC has not yet issued an order on the merits of the request for rehearing. *Env't Def. Fund v. FERC*, 2 F.4th

953, 972 (D.C. Cir. 2021), *cert. denied sub nom. Spire Missouri Inc. v. Env't Def. Fund*, 142 S. Ct. 1668 (2022). Moreover, this petition was filed within 60 days of the date the request for rehearing was deemed denied. 15 U.S.C. § 717r(b).

Respectfully submitted,
