Re: *State of Connecticut v. Exxon Mobil Corp.*, No. 21-1446

Dear Ms. Wolfe:

Pursuant to Federal Rule of Appellate Procedure 28(j), appellant writes to notify the Court that the Supreme Court has invited the Solicitor General to file a brief expressing the views of the United States on the petition for a writ of certiorari in *Suncor Energy (U.S.A.) Inc. v. Board of County Commissioners of Boulder County*, No. 21-1550. The questions presented by the petition are, first, whether federal common law necessarily and exclusively governs claims seeking redress for injuries allegedly caused by the effect of interstate greenhouse-gas emissions on the global climate; and second, whether a federal district court has jurisdiction under 28 U.S.C. § 1331 over claims necessarily and exclusively governed by federal common law but labeled as arising under state law.

We would appreciate it if you would circulate this letter to the panel at your earliest convenience.

Respectfully submitted,

/s/ Kannon K. Shanmugam
